“KA Alum stays grounded while reaching for the stars”

Michael Sean Roark was raised in Schaumburg, Illinois and was initiated into the Kappa Alpha Chapter at Illinois State in 2002. He began acting as a theater minor at Illinois State University and went on to attend law school at the University of Florida where he continued acting in community theater and excelled in trial advocacy. Following law school, he trained at the Performer's Studio Workshop in Tampa, Florida. Michael is a member of The Screen Actors Guild (SAG), The American Federation of Television and Radio Artists (AFTRA) and is also licensed to practice law in the state of Florida.

Michael recently heated up T.V. guest starring on various television series such as; The Glades acting as Justin Brussard (Guest-Star) for Fox TV Studios, Drop Dead Diva acting as Joey Bray (Co-Star) for Lifetime TV and The Vampire Diaries acting as Cowboy/Frank (Co-Star) for the CW TV Network.

Michael's television roles are very impressive, but his film and theater work make him stand out as a true professional and star. He is currently acting in the theater production of Cowboy v. Samurai at the Del Straz / Performing Arts Center, in Tampa, Florida.

Michael's impressive accomplishments are what one would expect from an ISU Pike, but we still are very proud of his great success. Best of luck Michael as you continue to impress the world.

Find out more about Michael at www.michaelroarksite.com and make sure to become a fan of his on Facebook.com.

CHAPTER NEWS

Dear Alumni,

The Chapter has come a long way in the past year. I'm proud to be a part of such a positive movement forward for our Chapter. Last spring, we initiated 20 new brothers most of which are Freshman and all of which I'm confident will make great contributions to the Chapter. Along with this successful spring recruitment, there have been many other Chapter improvements, such as moving up the academic rankings in the ISU Greek System, the creation of www.Kapikes.com, revising / updating of the Chapter Bylaws, and much, much more. We continue to be a powerful force in ISU Greek system and to work diligently to keep the foundation that was laid by our alumni solid.

We've also made some house improvements at 904 West Hovey such as adding new furniture and replacing the carpet. As well, we've finally effectively organized the composites to fill the walls, showing off the great haircuts of the past. It was great to see Alumni come back for Workday last spring as we were able to complete various projects around the house while getting to know each other over a catered lunch. The winter Bulls Game event was a blast for everyone and we look forward to it again this coming winter.

And as always, we are anxious to compete with the other fraternities athletically, academically, and socially.

I hope to meet many of you at the various alumni events the Kappa Alpha Alumni Association has scheduled. If you ever want to know more about what's going on with the Chapter or have questions please don't hesitate to contact me.

Thank you for the continued support and I look forward to meeting many of you soon.

PIKES NIGHT OUT

On July 10th ISU Pike's met up in Chicago for a night out. Founding Father Jerry Vastine was the surprise alumni of the night. Derek Peon, Keith Cross, Joe Lapatina, Clint Bartman, Chad Seybold, Steve Laredo and Fei Wang all stopped by to catch up. Later in the night, former Pike Dream Girl, Gamma Phi Beta, Debbie Olbrich stopped by and said "hello".

The event was held at The Fifty / 50, a popular Chicago hotspot, which is owned by Kappa Alpha alumnus Greg Mohr, www.thefifty50.com. The KAAA thanks Greg for his support and for hosting this event.

On the left Jerry Vastine, middle Keith Cross, and on the right Clint Bartman enjoyed a few hours of catching up and telling old stories. Jerry is an Engineer at Underwriter Laboratories and Keith is a claims manager for Progressive Insurance.

Joe Lapatina and his wife Kelly left their three kids with the sitter and enjoyed a few hours of adult time at The Fifty / 50. Joes owns his own demolition business Borcat Inc.

Derek Peon and his wife Tammy, who are expecting their first child in the coming months, stopped by and shared their good news. Derek is a K9 Police Officer with the Chicago Police Department.

CHICAGO BULLS EVENT

Organized by Chapter Member, Rami Soufan, last years Bulls Game had a terrific turnout and proved to be a great holiday/fall event for the chapter and alumni. Over 40 undergraduate members and alumni met up at the united center to cheer on the Bulls against the Detroit Pistons. A happy hour took place before the game at Union Park Lounge off of Racine to give guys a chance to share stories, renew old friendships and meet some of the chapter members.

Based on last years success, this year proves to be another year of fun. Keep your calendar open late November, early December for another game. Watch for details on facebook and through email to come soon.
